A Bio (the amplified version)

As a young atheist, Alicia Britt Chole's existence was dramatically interrupted by Jesus, "the God who pursues even those who deny Him." Today, Alicia is an author and spiritual mentor who speaks nationally and internationally to leaders, pastors, professionals, college students, women, and churches. All who have heard her agree: Alicia is an unusually disarming combination of realism and compassion, intellect and vulnerability, humor and art.

Leaders and learners alike describe Alicia's messages as piercing but welcome surgeries. Golden-year believers comment: *"I've been in church for decades and am somewhat of a retreat junkie. But I've never heard truth presented in this way."* Twenty-somethings say, *"Alicia writes like she speaks and speaks like she writes: poetry that*

cuts to the heart. Her words cut through a lot of religious junk, in a creative, humble, authoritative way and connect the soul to the Father.”

After hearing Alicia at a church, an acquisitions VP at a division of Thomas Nelson asked her to write her first book, *Pure Joy*, in 2003. In 2006 she released her first “heart” book entitled [Anonymous: Jesus’ Hidden Years and Yours](#) which has received breathtaking reviews from leaders around the world. In all, Alicia has authored six books, three DVD studies, and a 52-week spiritual formation journey [The7thYear](#).

Alicia’s articles, quotes, and writings have appeared in *Spirit-led Woman*, *Enrichment Journal*, *Chicken Soup for the Soul*, Jennifer Rothschild’s *Self Talk*, *Soul Talk*, Dianne Wilson’s *Gone*, Dr. Jane Goleman’s *Progress Notes*, Greg Ogden’s *Transforming Discipleship*, Lance

Witt’s *Replenish*, Jackie Johnson’s *When Love Ends*, Lisa Jane’s *Angel Kisses*, Thomas Nelson’s *2009 Inspirational Daily Planner*, *The Beauty Of God’s Blessing*, *God’s Promises Day By Day*, and *Joy For The Journey*. She has been a featured expert blogger on Conversant Life, a voice on Wired Parish, and she has been interviewed by dozens of radio stations including KTIS, Premiere Drive UK, The Bob Duktko Show, Thor Tolo, Georgean Rice, Mark Daniels, Moody with Prime Time Chicago, Moody Radio South, Ron Meyers, Jennifer Keitt, and Brian Mason. TV appearances include The Harvest Show and At Home Live.

Alicia has been facilitating the spiritual formation of leaders and learners for over 25 years. She is the founder and CEO of *onewholeworld, inc* (whose mission is to provide substantial resources for the globally minded) and the co-founder of [Leadership Investment Intensives](#) (a 501c3 devoted to investing in the life and legacy of leaders).

Additionally, along with her incredible husband (Dr. Barry Chole), Alicia designed [Rivendell](#), a prayer retreat home in Branson, MO, which has been haven to thousands.

Alicia lives with her husband of 24 years, their three amazing children (all Choles through the miracle of adoption), four somewhat less than amazing dogs, one truly strange cat, and eight confused chickens off of a dirt road in a country home devoted to writing and reflection.

Alicia has been in ministry since 1987. She holds a B.A. in Plan II pre-law, an M.A. in Education from UT-Austin, and is a doctoral student at George Fox University pursuing a DMIN in Spiritual Formation and Leadership (2015).
