

Dr. ABC is often described as a velvet-wrapped sword. In a day distracted by all things new and shiny, Dr. ABC brings ancient truth to life.

Within the working of God, there are lives that God develops to entrust revelation that is so powerful that it can literally change the course, not just of an individual, but of a people, and set in motion a movement based upon a transformed understanding. God has developed such a individual in the person of Alicia Chole.

Bishop Claude R. Alexander Jr., Lead Pastor,  
The Park

Alicia is one of those rare communicators who captures the hearts and challenges the minds of a generation. Her book, *Anonymous*, sits on my shelf next to C.S. Lewis, and I am convinced that someday she will rise to similar prominence if given the platform and freedom to express her full God-given potential.

Jennifer Rothschild, author of  
*Invisible: How you feel is not who you are*

Dr. Alicia Britt Chole is a powerful gift to the body of Christ. Her unique, prophetic insights to the Word of God are key in unlocking the truth in this broken culture.

Jacob Aranza, Lead Pastor of  
Our Savior's Church

Alicia refuses to be sentimental and forces the reader to find a gritty Gospel where life, pain, and redemption live in the same space. Alicia delves into what Howard Thurman calls "the altar on the island of the soul." This is the kind of writing that cuts and heals.

Dr. Otis Moss, III, Senior Pastor of  
Trinity United Church of Christ, Chicago, IL

Dr. Alicia Britt Chole has the integrity to wed the meaning of ancient text with courageously surrendered contemplation of the most simple of questions, So what does this mean now? She is a Spiritual seer and Contemplative coach!

Dr. William H. Curtis, Senior Pastor of  
Mount Ararat Baptist Church
